We have asked Brenda to especially focus on the competition dog, including:

- Desensitizing your dog to distractions in a systematic way.
- Developing your dog's self control and addressing self control issues.
- Recognizing and managing your dog's level of stress and excitement in training and for the ring.
- Motivating different temperament types including: the shy and sensitive dog, the overzealous and anticipating dog, the pushy and reactive dog, the distracted dog or the one that has a poor work ethic.
- Getting your dog off of food and ring ready.

Working participants will get the opportunity to get up and work their dogs in groups with Brenda and apply some of the techniques.

- Registration Fee is \$290 for working participants and \$150 for auditors. Auditors may register for one day only for \$75.
