## Coaching the Canine Athlete®

**Day 1 - Structure and Locomotion for Performance  
and Conditioning**

**Day 2 - Jumping**

### August 18-19, 2012

On Saturday, participants will learn about their dog's structure and locomotion as it relates to performance and how to condition their dogs. On Sunday, the whole day will be spent on jumping, including how to teach dogs to jump, from newbie jumpers all the way to power jumpers. Chris will also discuss jumping problems and how to solve them.

Chris Zink, D.V.M., Ph.D., is a consultant on canine sports medicine, evaluating canine structure and locomotion, and designing individualized retraining and conditioning programs for canine athletes. She is the award-winning author of *Peak Performance: Coaching the Canine Athlete*, *Dog Health and Nutrition for Dummies*, and *The Agility Advantage*, and co-author of *Jumping from A to Z: Teach Your Dog to Soar* and *Building the Canine Athlete: Strength, Stretching, Endurance and Body Awareness Exercises*. She has obtained more than 70 obedience, agility, retrieving, tracking, and conformation titles on dogs from the sporting, herding, working, terrier, and hound groups. Dr. Zink presents *Coaching the Canine Athlete®* seminars worldwide to rave reviews. For more information, visit [www.caninesports.com](http://www.caninesports.com).
